

Perfectray

The Perfect Tray for Any Procedure

For the perfect single-arch solution, look no further than our crystal-clear Perfectray disposable acrylic impression trays. With superior material retention and a wide variety of sizes and shapes to suit every patient, Perfectray has an option for all of your single-impression needs.

- Crystal-clear acrylic is transparent and gives visibility to the clinician
- Perforations lock material into the tray, providing superior material retention and easier removal
- High-quality, super-rigid acrylic provides exceptional accuracy, protecting the impression from distortion or deformation
- Ergonomic handles and finger rests improve the clinician and patient experience, allowing the tray to be easily seated in the mouth
